## Welcome to H60 Pilot Hub!

### Your Contract & Schedule Companion

Monitor your upcoming flights, fatigue levels, earnings, and CBA compliance with real-time insights designed to support safer and smarter flying.

[Learn More](#)

### Aviation-Focused, Data-Driven

Our platform provides pilots with real-time insights into their contracts, schedules, and earnings, enabling them to make informed decisions and optimize their flight operations.

### Founded in 2020 with a Purpose

We were founded by pilots, for pilots. Our mission is to empower pilots with the tools and data they need to fly safely and profitably.

### Where Contracts Meet Code

We combine aviation expertise with cutting-edge technology to create a platform that simplifies contract management and streamlines flight operations.

### Helping Pilots Fly Smarter

From contract negotiation to flight scheduling, our platform provides pilots with the tools and insights they need to fly smarter and more efficiently.

Make sure you choose the right flight for your life.
