A large, stylized graphic of a commercial airplane, colored in a gradient of blue and white, is positioned in the lower half of the image. It is angled upwards towards the top right, suggesting flight. The background behind the plane is a warm, orange and yellow sunset or sunrise sky.

## Welcome to Pilot Hub!

### Your Contract & Schedule Companion

Monitor your upcoming flights, fatigue levels, earnings, and CRA compliance with real-time insights designed to support safer and smarter flying.

[Learn More](#)

#### Aviation-Focused, Data-Driven

We are a startup built from scratch to simplify your flight and contract management needs. Our mission is to make flying easier, safer, and more efficient.

#### Founded in 2020 with a Purpose

With an array of pilots, engineers, and aviation experts, our goal has been to create the best pilot planning system — one that meets the needs of today's modern pilot.

#### Where Contracts Meet Code

The transition between flight language into user-friendly tools — flight details, fatigue charts, CRA analyses — tailored to real-world pilot workflows.

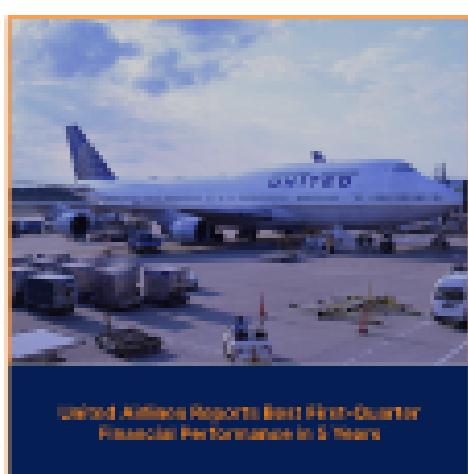

#### Helping Pilots Fly Smarter

From automated cycles, to airline-wide deployments, our solutions reduce legal risk, enhance transparency, and enhance pilot visibility, meeting across the industry.

Make sure you choose the right flight for your life.
